SUNDAY, APR 5

1:00pm

“War and Escape” – Join us for the next part of our Hollywood at War Film Discussion Series. Each discussion will feature a major Hollywood war movie followed by a round-table talk based on intangible themes common to our society. Today’s theme is “War and Escape”. Each film will be held at the Visitor Center and begin at 1p, followed by a 20 minute discussion after the film.

SUNDAY, APR 12

All Day

State Park Sunday – Stop in Dick’s Sporting Goods on 82nd Street in Castleton to pick up information on our Indiana State Parks and Reservoirs. Talk to a naturalist and check out some of the programs going on this summer at the parks. Also, see and touch a live snake native to Indiana!

SATURDAY, APR 18

10am – 3pm

Spring GPS Workshop – This workshop is open to owners of GPS receivers at every level of experience. It will feature the fundamentals of GPS receivers and their controls, how to create and maintain your own Geocache, and where to find websites related to Geocaching in Indiana. A pitch-in lunch will be held at noon for all participants. Workshop will be held at the park office and all participants are asked to bring their own GPS receiver and a pitch-in dish for lunch. There will be an outdoor geocaching exercise, so participants should dress appropriately for the weather. The workshop is free, but the standard weekend gate fee applies.

SATURDAY, APR 25

1:00pm

Lawrence Creek Trail Hike – Join the naturalist for a nice hike along the Lawrence Creek Trail. View some of the spring wildflowers, trees budding out, and maybe see some local critters emerging from their winter slumber. Binoculars and field guides are encouraged! This trail is a moderate 2 mile loop, so please wear appropriate shoes. Dress for the weather! Meet at the Lawrence Creek Trailhead.

Upcoming events

WWII DAYS MAY 16 – 17

Featured events include weapons demonstrations, a simulated grenade toss for the kids, an indoor display honoring Veterans, and a tactical battle re-enactment on Saturday at 2pm.
